

8:29:41 AM forktonguedtrout: **Pope Benedict? Why won't you return my letters?!**

8:29:56 AM Nico: Becuase I couldn't understand them.

8:30:12 AM forktonguedtrout: **no, unfortunately.**

8:30:17 AM Nico: Why must you use manuscript? It is so strenuous in my aging eyes!

8:30:34 AM forktonguedtrout: **it looks like we just do the med, hold on stand by**

8:30:42 AM forktonguedtrout: **better?**

8:31:01 AM forktonguedtrout: **bump up the size as well for ya a little bit**

8:31:02 AM Nico: Slightly. A bit more to the left, please, and with a smile.

8:31:47 AM forktonguedtrout: **anyways, med in the summer, caribbean in the winter, which is cool I guess but we were supposed to go to the Pacific originally and that seems to be nixed. Oh well**

8:31:50 AM forktonguedtrout: **:-)**

8:31:59 AM forktonguedtrout: **who might I be chatting with anywho?**

8:32:40 AM Nico: Oh, yes, the dilemmas of teleportation and quantum mechanics continue to interfere with the plans of the ubiquitous human.

8:32:47 AM Nico: This is me, and who are you?

8:33:18 AM forktonguedtrout: **damn, I thought I was me. This raises an interesting philosophical dilemma**

8:33:34 AM Nico: I'd say, for it is not me, it's you.

8:33:52 AM forktonguedtrout: **[head explodes]**

8:34:02 AM forktonguedtrout: **nonetheless, however you have me at a disadvantage**

8:34:39 AM Nico: Indeed. It is now the perfect time to reach for my petroleum jelly... Please continue to hold in the prone position.

8:35:20 AM forktonguedtrout: **whoa now, we just met**

8:35:59 AM Nico: This is how we greet in Swaziland, this is how I meet you. This is how I meat you.

8:36:59 AM forktonguedtrout: **Anna-Marie, are you drinking the cheap stuff in the afternoon again?**

8:38:38 AM Nico: No, I haven't done that in many blue moons. But I have also not satisfied my urge in about as long, and this anticipation is starting to turn the pressure up.

8:39:21 AM forktonguedtrout: **ok, now things begin to get creepy**

8:39:48 AM forktonguedtrout: **qui etes vous s'il vous plait**

8:39:59 AM Nico: Je ne sais pas. Et vous?

8:41:14 AM forktonguedtrout: **je ne veux pas parler avec un etranger...**

8:41:37 AM Nico: Pourquoi did you go from speaking english to francois?

8:41:50 AM forktonguedtrout: **to see if you knew french**

8:41:56 AM Nico: Oui.

8:42:03 AM forktonguedtrout: **evidence collection**

8:42:09 AM Nico: et maintenant?

8:42:38 AM forktonguedtrout: **je ne sais pas, mon idee originale ne parle pas francais**

8:43:13 AM forktonguedtrout: **ou, mon deuxieme idee, le premiere a ete Anna Marie**

8:44:15 AM forktonguedtrout: **Vous ne travaillez pas sur le bateau, je pense, vous parlez un peu de francais et pour vous le Dieu est important....**

8:44:19 AM forktonguedtrout: **je ne sais pas**

8:44:19 AM Nico: Ah yes, the other reason why I haven't responded to your letters.

8:44:32 AM forktonguedtrout: **aidez-moi, si'l vous plait**

8:44:49 AM Nico: help you what?

8:44:58 AM forktonguedtrout: **I send you letters?**

8:45:15 AM forktonguedtrout: **with your mysterious identity**

8:45:16 AM Nico: That's what you said. And you called me Pope Benedict.

8:46:07 AM forktonguedtrout: **ok, I'm all dorked up now**

8:46:12 AM forktonguedtrout: **hook it up**

8:46:15 AM Nico: ?

8:46:29 AM forktonguedtrout: **torture me no longer, your name! I must have it**

8:47:21 AM forktonguedtrout: **then we could have a real conversation**

8:48:05 AM Nico: What does my name show as?

8:48:20 AM forktonguedtrout: **biblicaltrout**

8:48:31 AM Nico: Interesting.

8:48:36 AM forktonguedtrout: **i thought so**

8:48:42 AM Nico: For your name shows as "forktonguedtrout"

8:48:52 AM Nico: And I begin to question the reality of that.

8:49:09 AM forktonguedtrout: **in the trout world we are spiritual enemies**

8:49:25 AM Nico: Indeed. But is that your real name?

8:49:31 AM forktonguedtrout: **really?**

8:49:40 AM forktonguedtrout: **do we not even know eachother?**

8:50:00 AM Nico: I'm unsure of this. You IMed me first.

8:50:08 AM forktonguedtrout: **quoi?**

8:50:13 AM Nico: Oui, oui.

8:50:32 AM Nico: It started 21 minutes ago, when you said "Pope Benedict? Why won't you return my letters?!"

8:50:44 AM Nico: To which I said, "Becuase I couldn't understand them."

8:51:16 AM forktonguedtrout: **the first I saw of this was you asking if I planned on circumnavigating the globe**

8:51:31 AM Nico: O.o

8:51:37 AM forktonguedtrout: **so I guess we are victims of aim glitchitude**

8:51:42 AM Nico: My stranger friend, we are indeed.

8:51:42 AM forktonguedtrout: **I'm Phatty Rob**

8:51:50 AM forktonguedtrout: **nice to meet you**

8:51:55 AM Nico: Or a big prank.

8:52:03 AM forktonguedtrout: **possibly**

8:52:04 AM Nico: Nice meeting you, Phatty Rob.  
8:52:15 AM Nico: I am the AlfajOr.  
8:52:19 AM Nico: The one and only.  
8:52:26 AM Nico: I must ask.  
8:52:27 AM forktonguedtrout: **rock on**  
8:52:36 AM Nico: Stairs in your house, do you have them?  
8:53:12 AM forktonguedtrout: **i don't even have a house, but I could find some stairs if you are going to ask me to throw myself down them for being stupid**  
8:53:33 AM Nico: No, that would be a shame.  
8:53:46 AM Nico: I'm trying to find a connection to this AIM shenanigans.  
8:53:53 AM Nico: You see, same thing happened a couple of days ago.  
8:53:58 AM forktonguedtrout: **ok, I'm just waiting for the other shoe to drop**  
8:54:01 AM forktonguedtrout: **ah**  
8:54:04 AM forktonguedtrout: **roger**  
8:54:07 AM Nico: Someone IMed me, and then he/she said that they hadn't.  
8:54:26 AM forktonguedtrout: **yes, this boat has 6 decks**  
8:54:27 AM Nico: Alas, they didn't play along as far as you did.  
8:54:31 AM forktonguedtrout: **hahaha**  
8:54:34 AM forktonguedtrout: **good times**  
8:54:38 AM Nico: Indeed.  
8:55:13 AM forktonguedtrout: **well, alfajor, we best scan our compys for bugs, for we may have come down with something**  
8:55:31 AM Nico: I doubt it.  
8:55:44 AM Nico: I am using AIM from my microwave.  
8:55:57 AM forktonguedtrout: **impressive**  
8:56:05 AM Nico: Rather.  
8:56:19 AM forktonguedtrout: **ok, dude, good luck, that thing can give you cancer.**  
8:56:37 AM Nico: Only if you forget to wear your full body suit.  
8:56:40 AM Nico: Which I rarely do.  
8:57:18 AM forktonguedtrout: **smart man. Well brother man I gotta roll. Stay cool and maybe some day you can make me a hot pocket and send it over aim**  
8:57:27 AM Nico: Hehehe.  
8:57:43 AM Nico: Nice having experienced an AIM glitch or exploit with you.  
8:57:48 AM Nico: KEEP IT REAL, NIGGA
